## **Book Award RFP**

NEAS will offer awards on a competitive basis to support students and post-doctoral fellows in developing a professional phycological library. ## **Eligibility**

Student and post-doctoral NEAS members who will be attending the 57<sup>th</sup> Symposium in New Haven CT may apply for up to 100% of the cost of a single phycological text or written work. Applications can be graduate students or post-doctoral scholars in any stage of their studies however a strong preference is given to applicants that did not receive a book award in the prior year. Only one application per year can be submitted per applicant.

## **Application**

This book award is competitive. Awards may be full or partial. Applicants must complete the attached form and return it in electronic form to Greg Boyer at [glboyer@esf.edu](mailto:glboyer@esf.edu).
